INTRODUCTION

Datacom specialises in supplying solutions to the education sector throughout Australia and New Zealand. This year, we are very pleased to have been selected as the preferred partner for the Marist College BYOD program. We look forward to working with the staff and families involved with this program which leads the way for the use of technology in the classroom.

Your Device Options

Datacom in conjunction with Marist College Staff have worked very hard to ensure that we supply devices designed to provide students with the best access possible to learning. The College has selected machines from Apple and HP as the preferred vendors, providing you with a range of devices types and prices. These devices are business grade machines and are renowned for their quality and reliability.

Protecting your investment – warranty & insurance

All devices come with a 3 years onsite warranty, with an option to purchase ADP, the start date of the onsite warranty and optional ADP is the date of delivery, which is the day your son receives his device.

At school, on the way to school and during normal day to day use your device may be at risk from accidental damage. You will find an option on the ecommerce portal to purchase ADP for all Apple and HP models. Datacom are authorised to carry out repairs of the machines onsite at the College.

ADP costs are as follows:

1. HP – Damage only, 3 Parts per annum, \$60.50 per part
2. Apple - Damage, Fire & Theft. \$100.00 per claim, unlimited claims to double the cost of the purchase price
3. Please also note, for any “OUT OF WARRANTY” requests, if a Datacom tech needs to come onsite to test and triage there will be a \$120.00 callout charge. If the Notebook is delivered to Datacom offices there will be no charge.

Please note that an approved bag is required to be purchased if you choose to select an insurance option.

PAYMENT METHODS

Payment is made directly to Datacom via our secure payment facility. We accept VISA, VISA Debit, Mastercard, Debit Mastercard and AMEX. Please note that a surcharge of 4% applies for AMEX only.

Datacom do not offer finance however there are a number of providers that will offer 6 months interest free for the purchase. An example of this would be GEM finance
